JRSBE DATA POLICY

The JRSBE places high premium on the nature and quality of data used in a research publication. This is because the journal aims at changing the narratives of spurious research result occasioned by data management mismanagements and enthrone the culture of using the right data to produce scientifically reliable research output for policy decision and predictive analysis. Consequently, every submission for publication consideration in JRSBE **MUST** be accompanied with the dataset used for analysis and stating the software used and version. This is to enable our well-selected team of Editorial Board Members to carry out their task of verifying every reported research results submitted by Authors to ensure reliability. Any submission without this important requirement will be desk-rejected.

MANUSCRIPT REVIEW PROTOCOL:

All manuscripts will be peer reviewed in a blind review process. Authors will be expected to revise their papers in line with recommendations/suggestions of the reviewer(s) in a corrected form to be sent along with reviewers' comments. All corrected copies are expected to be returned within two weeks to the Editor-in-Chief for further review and possible publication.

JOURNAL CHARGES:

A non-refundable review fee of N5,000.00 per paper and a publication fee of N20,000.00 for each paper accepted would be paid for publication in the Journal. All payments should be made to the Editor through the account number and name provided below. The receipt/detail of payment should be forwarded to these emails: jrsbe@uniuyo.edu.ng; sundaysakpan@uniuyo.edu.ng immediately after such payment with the purpose of payment clearly indicated
