

UNIVERSITY OF UYO, UYO OFFICE OF THE REGISTRAR

DISCLAIMER

The attention of the Management, University of Uyo, has been drawn to a fake, wrongly narrated and unverified advertisement circulating on different social media platforms, inviting applicants and qualified candidates for admissions into the University of Uyo Top-Up Degree Programmes in the 2026/2027 Academic Session purportedly claimed to have been released through the School of Continuing Education & Professional Studies, and signed by the Registrar of the University, Mrs. Blossom E. Okorie.

The advert reads in part: ***UNIVERSITY OF UYO, SCHOOL OF CONTUING EDUCATION AND PROFESSIONAL STUDIES: Applications are invited from Qualified Candidates for admission into the University of Uyo Top-Up Degree Programmes in the 2026/2027 Academic Session.***

The Charlatans, in their well-crafted sinister plot also claimed that the applicants are requested to buy the forms at ₦35, 000.00 (Thirty-Five Thousand Naira) each. This advertisement online did not originate from us. Categorically, the University has not approved, authorised or accredited such Top-Up Degree Programmes.

To say the least, the Management of the University frowns at this poorly syndicated narrative and free-for-all storyline pushed around the internet simply to dent the image of our highly reputed Centre of Academic Excellence which is known for standard and quality learning.

Consequently, the Vice-Chancellor, University of Uyo, Professor Christopher N. Ekong, expresses displeasure on this fabricated story, and calls on members of the public to discard the advertisement.

Signed

Mrs. Blossom E. Okorie
REGISTRAR AND SECRETARY TO SENATE
